April 5 - Sam Muyskens and Geri Appel Haiti's New Challenge

In a country plagued with unemployment, illiteracy, hunger, and a failed infrastructure, Haiti has experienced one of the worst human disasters known to humankind. How do we respond? Sam and Geri will share a vision that originates with the Haitian people and will address housing, employment, education, and industry with the ultimate result being, the elimination of poverty and the reforestation of a proud country populated by some of the most selfless, patient, faith centered people on our globe.

After 17 years as executive director of Interfaith Ministries, Sam founded and is President/CEO of Global Faith in Action. Sam has traveled to Haiti 23 times on behalf of the ASAP Haiti Project which he and other Haitian and Wichita residents founded 16 years ago. Geri has visited Haiti four times, most recently in October 2009, since our club initiated a feeding project in Haiti in 2001. Since that initial project, our club and district have introduced solar cooking, provided large and small sun ovens to the school and villagers, installed a solar powered water well and storage system and, with the help of a Rotary Foundation Matching grant, established the only sun oven assembly plant in Haiti.

Volunteers Needed For Riverfest

Our club has volunteered to sell Food Court tickets again this year at the River Festival. By getting volunteer organizations to assist, it saves Wichita Festivals, Inc. a considerable amount of money. In addition, **it is fun!** Our dates are **Tuesday, May 11** and **Friday, May 14**. Each day has two shifts: 11-2 and 2-5. We still need 8 volunteers for May 11 from 11-2 and 7 volunteers from 2-5. On May 14, we need 9 people to work from 11-2 and 4 from 2-5. If you can help, please contact Curtis in the Rotary office at 262-4375 or curtis@wichitarotary.org.

Rotary In Russia 2010

This year, Rotary celebrates 20 years in Russia, and a birthday party is being planned for early June in Moscow. We're invited! As you probably know, District 5690 is a member of the US/Russia Inter-Country Committee. As such, we are welcome to send delegates or observers to this event.

Planning is still in its early stages, but the event should be June 3-5, 2010, at the Hyatt Ararat in Moscow. Room rates during the event only, are projected at \$175 per night, single or double occupancy. Air fare from Wichita is currently running about \$1200-\$2000 for coach. The Hyatt Ararat is an easy walk from the Kremlin, Red Square, and Bolshoi Theatre (currently under renovation).

Excursions to the "Golden Ring" surrounding Moscow are also expected to be available.

If you are interested in attending, please contact Kurt Harper at 316-267-1281 (daytime) or 316-634-2290 (evenings) for further information.

Volunteer As A Career Day Host

Our annual Career Day is coming up on April 12 and hosts are needed. Career Day involves inviting juniors and seniors from various High Schools who have been selected by their respective school counselors. It is a great Vocational Service opportunity for our members to share their vocation with students who have expressed an interest in their chosen career field.

The visit starts at the host's place of business on Monday morning at 9:30 a.m. and concludes at 11:30 a.m. as the student and host Rotarian attend our regular noon meeting at Botanica. The students provide their own transportation to and from your business and will return to school after the Rotary meeting.

For more information or to volunteer as a host, please contact Lillian Gattis, Jill Frasco, Trish Snyder or Kim Gattis.
