## Happy Birthday President Clark!

### From The Dugout...

I hope each of you had a safe and happy Memorial Day weekend! I have not shared any "Yogi-isms" with you in a while and have some room this week. But first, a couple of other thoughts as we enter the last month of this Rotary year:

Have you signed up for the picnic on June 14? Your picnic committee has been working hard to give us a great evening of fun, food, fellowship and entertainment at a terrific price. You must hurry as reservations are due June 9. Your picnic committee is **Jennifer Szambecki, Mark Reed, Bailis Bell, Anne Chandler, Jill Frasco, Mike Johnson, Shirley Koehn, Ken Lerman, Jamie Lindamood, Paul Longhofer, Dave Perkins and Martha Linsner.**

Membership recruitment will be the #1 priority for our club next year. While we are the 19th largest club in the world, more hands to do our service projects are needed. Costs continue to rise and much of our budget is fixed. I still maintain that we should be a club of 400. Let's end the year with several new prospective members. Do a friend or colleague a favor by inviting them to be a member of our great club.

Have a great week and I look forward to seeing you on Monday!

## Rotary and the Chicago Cubs Team Up to Strike Out Polio

When Joshua Kim decided last summer to donate all the allowance he'd saved up to Rotary's End Polio Now campaign, he never dreamed that almost a year later he would be taking the mound for a ceremonial first pitch at Wrigley Field, the historic baseball park of the Chicago Cubs. Joshua, now 15 and a freshman at Glenbrook North High School in Northbrook, did the honors just before the 25 May game between the Chicago Cubs and the visiting Los Angeles Dodgers during Strike Out Polio: Rotary Day at Wrigley Field.

"I can't believe this is really happening. I've always wanted to do this," said Joshua, whose father, Tony, is a member of the Rotary Club of Chicagoland Korean-Northbrook. His dad was in the stands with more than 600 Chicago-area Rotarians, relatives, friends, and Rotary International staff. Tony's involvement in club polio eradication fundraising efforts inspired Joshua to contribute \$1,300 to Rotary's US\$200 Million Challenge. Rotary has committed to raising \$200 million in response to \$355 million in challenge grants from the Bill & Melinda Gates Foundation.

Rotary Day at Wrigley Field brought in more than \$10,000 for polio eradication. The Chicago Cubs contributed \$20 to the campaign for each ticket sold by area Rotary clubs. An End Polio Now message appeared on Wrigley Field's famous marquee, with announcements made inside the ballpark before and during the game.
