Due to bridge construction, the normal route (Andover Road) to Prairie Rose is not available. The Rotary office will send a map by blast email as to alternate routes. The most direct route is north on I-135, east on highway 254 to 159th, north two miles to Parallel Road, and east again 1.7 miles. ## June 21 - Sean Clem, Equestrian Media Productions

### “Wichita Polo....Who Knew?”

Polo, Anyone?

Join us Monday, June 21, to learn everything you need to know about how to enjoy a polo match right here in Wichita. Founded in 1931, Wichita's Fairfield Polo Club is one of the oldest polo clubs in the United States. This summer, the Fairfield Polo Club is one of only a few in the nation to be designated as a Regional Polo Center.

Our speaker will be Sean Clem, V.P. Of Client Services for Equestrian Media Productions, who works with the United States Polo Association to educate various markets about the sport of polo. He will share a five-minute video from the USPA, and a brief history of this amazing “sport of kings.” In addition, he will explain the USPA Regional Polo Center initiative and what it means to

Wichita to have an RPC here.

Sean will bring some special equipment for show-and-tell, and a brave Rotarian will get to learn the basics of swinging the mallet. Pick up your complimentary tickets to the first summer Polo Match, and learn more about the sport, the players, and the horses.

Yes, there is Polo in Wichita. Who Knew?
