Club Supports "Haiti's New Challenge"

As we have always done in the past when the call for help comes from Rotarians Geri Appel and Sam Muyskens who oversee our Haiti efforts, our club once again has risen to the challenge of providing assistance to the residents and school in Lambert, Haiti. With over \$7,300 raised from our recent coffee sales, coupled with club budget accruals from prior years and individual Rotarians donations, **we have recently sent \$9,987** to be used in establishing a Computer Technology Center, a Community Latrine for the Lambert School and assistance in refurbishing Lambert's Medical Clinic. Thanks to all for your continued support of our Haitian friends in Lambert!
