March 4 — John Allison, Superintendent of USD 259

John Allison began his tenure as the superintendent of the Wichita Public Schools on July 6, 2009. Prior to assuming the helm of Kansas' largest school district, Mr. Allison served for two years as superintendent of the Mt. Lebanon School District in Pennsylvania.

Allison's educational career began in Kansas as a high school social studies teacher and coach. Much of his professional experience has been in the Shawnee Mission (KS) School District, where he held several administrative positions including associate superintendent for educational services. He departed Kansas for Texas, where he served as the deputy superintendent of the Grapevine-Colleyville School District in the Dallas-Ft. Worth area, prior to assuming the superintendency in Pennsylvania.

Allison grew up in northeast Kansas and obtained his Bachelor of Science degree from the University of Kansas and his Masters of Science from Emporia State. He has completed doctoral course work in Education Leadership at St. Louis University.

Hardly a stranger to Wichita, Allison spent summers during his childhood in the Riverside area visiting his grandparents. His mother and his uncle are graduates of Wichita High School North. John and his wife Ramie have two children, one attends school in the district and the other recently graduated from our district.

March 11 — Larry Hatteberg, KAKE-TV, Channel 10

Larry Hatteberg is a name synonymous with the highest quality television journalism. He began his forty-nine year television career with KAKEland in 1963 and immediately distinguished himself with his ability to communicate visually, letting his subjects tell their story.

Larry has received more than 100 local, state and national awards for news photography and reporting and is Kansas' most honored journalist. His "Hatteberg's People" series is the longest running television feature in Kansas and his book "Larry Hatteberg's Kansas People" spent weeks on the state's best-selling list. He has held nearly every position in the KAKE newsroom and currently co-anchors KAKE News at Five.

MONDAY MEETING NOTES — FEBRUARY 11

Rotarians enjoyed hearing **Skip Yowell**, the co-founder of *JanSport*, talk about his outdoor adventures while developing and marketing his unique brand of hiking and camping gear.

Skip has traveled the world over, but has come back to "retire" near his roots in small-town Kansas. On Monday he enjoyed re-uniting with some school friends from the Great Bend area, including club members **Mark Cassell** and **Jim Graham**.

If you would like to read more about Skip's adventures as he climbed mountains AND the corporate ladder, look for his books including "The Hippy Guide to Climbing the Corporate Ladder and Other Mountains" at <http://skipyowell.com/buy.htm>.

Long-time Rotarian, **Bob Lida** was re-introduced to the club by **Carrie Hendrickson** and lauded for his amazing athletic achievements. Retired from his advertising agency, Lida Advertising Co., Bob has competed internationally. He was recently awarded the 2012 Best Masters of the World award from the International Association of Athletics Federation in Barcelona, Spain. He holds the world records for his age group in the outdoor 100 (13.49) and 200 (27.73), the indoor 60 (8.56), 200 (27.64) and 400 (1:05.08). Bob is indulging his newly discovered passion for teaching at Kapaun Mt. Carmel High School, where he has coached the sprinters for the past several seasons.

NUMANA FOOD PACKAGING EVENT

Congratulations Rotary Club of Wichita! On Saturday, February 16, 2013, we set a Guinness World Record for "most meals packaged in one hour by a team." Our partners, Numana and Volunteer Kansas, helped us package 479,034 meals in 32 minutes with the help of 2,000 volunteers - many of whom were Rotarians from around our District 5690. Thanks for helping raise the money and giving your time to make this great event happen!
