### The Four Way Test

Of the things we think, say or do

Is it the TRUTH?	Is it FAIR to all concerned?
Will it build GOODWILL & BETTER FRIENDSHIPS?	Will it be BENEFICIAL to all concerned?

### A United States Citizenship Naturalization Ceremony

**Monday, February 3, 2014**

**7:00 P.M. at INTRUST Bank Arena**

Enter at Entrance A (south side) or Entrance C (north side)

This event is free and open to the public.

**There will be no Rotary meeting at noon.**

**Featured speaker will be Dr. Neeli Bendapudi, Dean of the University of Kansas School of Business and a naturalized citizen.**

Naturalization is a process by which immigrants not born in the USA become citizens. Becoming a U.S. citizen is one of the most important decisions an immigrant will make. After passing a test, agreeing to accept the responsibilities of U.S. citizenship and pledging to support and defend the U.S. Constitution and laws, citizenship is granted in a moving ceremony.

By opening this U.S. District Court proceeding to the public, we hope to advance an understanding of United States Citizenship and its rights, privileges, and responsibilities, while welcoming our newest fellow citizens.

### February 10 — Robert Aschentrop — CBIZ Business Consultant

With 14 years of financial industry experience, Robert joined CBIZ in 2010 to help grow the employee services consulting practice. His chief focus in this capacity is analyzing the way companies finance, mitigate and transfer business and health risk.

Robert started in the financial service industry in graduate school while working for the Iowa State University Foundation. He worked with individual, corporate, and foundation donors. This passion to serve as both the personal relationship contact and advisor for these clients helped develop his vision for the way trusted advisor relationships should be defined.

Prior to joining CBIZ, Robert was a commercial market vice president for US Bank. He also served as the executive director for the Northland Community Foundation, working with high net worth individuals and corporations from a tax and asset perspective, to establish charitable foundations utilizing optimal and/or unique assets.

Robert earned a bachelor of science in mathematics, computer science and geography from Northwest Missouri State University in Maryville, Missouri and a master's degree in leadership and policy studies from Iowa State University, graduating magna cum laude from both institutions.

Robert is active in several professional and community organizations throughout the Kansas City area and is currently the chairman of the board for Ronald McDonald House Charities Red Shoe Society and treasurer for Children's Therapeutic Learning Center.

### GLUTEN-FREE MENU ITEMS

Several members have informed us that they are on gluten-restricted diets. Please note that our caterer has at least one gluten-free entrée on the buffet table each Monday lunch. For example, on January 27, the grilled chicken, grilled squash, soup (which was thickened with corn starch) and salad were all gluten-free. If you are not sure which items on the buffet are gluten-free, be sure to ask one of the catering staff.

### MEETING NOTES — JANUARY 13 and 27

Men's basketball coach Kyle Lindsted gave an informative talk about the men's basketball program at Sunrise Christian Academy in Bel Aire on January 13. Tony Vizzini and Toni Porter were awarded their permanent badges by President Gayle.

John Knipp introduced returning member C.R. Hall and Tom Davis introduced new member Doug Coe. A warm welcome to both!

On January 27, Rotarians enjoyed the opportunity to participate in the ACT ICT community vision panel hosted by city manager Bob Layton (pictured with Steve Lewallen). President Gayle congratulated Jack Focht on reaching his 30 year anniversary with the club. Eldon Addy (pictured with Geri Appel and Tammy Allen) celebrated his 99th birthday with 180 of his closest friends!
