The Four Way Test

Of the things we think, say or do

February 10 — Robert Aschentrop — CBIZ Business Consultant

With 14 years of financial industry experience, Robert joined CBIZ in 2010 to help grow the employee services consulting practice. His chief focus in this capacity is analyzing the way companies finance, mitigate and transfer business and health risk.

Robert started in the financial service industry in graduate school while working for the Iowa State University Foundation. He worked with individual, corporate, and foundation donors. This passion to serve as both the personal relationship contact and advisor for these clients helped develop his vision for the way trusted advisor relationships should be defined.

Prior to joining CBIZ, Robert was a commercial market vice president for US Bank. He also served as the executive director for the Northland Community Foundation, working with high net worth individuals and corporations from a tax and asset perspective, to establish charitable foundations utilizing optimal and/or unique assets.

Robert earned a bachelor of science in mathematics, computer science and geography from Northwest Missouri State University in Maryville, Missouri and a master's degree in leadership and policy studies from Iowa State University, graduating magna cum laude from both institutions.

Robert is active in several professional and community organizations throughout the Kansas City area and is currently the chairman of the board for Ronald McDonald House Charities Red Shoe Society and treasurer for Children's Therapeutic Learning Center.

February 17 — No Meeting — Presidents' Day

The Rotary office will be closed in observance of Presidents' Day.

February 24 — Marc Bennett — Sedgwick County District Attorney

Marc Bennett served in the Sedgwick County district attorney's office for 15 years before his election to the office of district attorney in 2012. Prior to 2012, he served as deputy district attorney and supervised the Trial Division II, which encompassed the prosecution of sex crimes, human trafficking, domestic violence and elder abuse.

Bennett currently serves on the board of directors of the Kansas County and District Attorneys Association (KCDAA) and acts as the sex crime section chief for the organization. He is a member of the board of directors of the Wichita Area Sexual Assault Center (WASAC), the Sedgwick County Child Advocacy Center, the Kansas Attorney General's Human Trafficking Advisory Board (HTAB), and a faculty member of Finding Words Kansas. In addition, Bennett is an appointee to the Kansas Prosecutor's Grievance and Ethics Committee.

Bennett completed his undergraduate degree in history from Kansas State University and his juris doctor degree from Washburn University. He has been a regular presenter to the Kansas legislature and child advocacy forums and symposiums throughout the U.S. on the topic of protecting children from sexual crimes and abuse.

Marc grew up in Goddard playing bluegrass music with his dad and uncles. He lives in Cheney with his wife, Tamara, and their three daughters.

JUNIOR ACHIEVEMENT

Junior Achievement is one of the programs supported by our Wichita Rotary Charitable Foundation. JA's mission is to prepare students to develop successful financial habits, empower them to explore entrepreneurship and provide them with skills necessary to succeed in a global workforce. They focus on at-risk schools, where they can have the greatest impact.

We need about 25 volunteers to teach at Washington Elementary this spring. You don't need to be a finance whiz or hold a teaching certificate. All of the materials and lesson plans are provided by JA. Volunteers will make 5 visits to the classroom for lessons that are about 30 – 45 minutes long.

If you're interested in volunteering, come to the information session hosted by Marci Werne, on Feb. 10th after our weekly meeting at Botanica.

Message from the President

February 3, 2014 Citizenship Naturalization Ceremony

AWESOME!!

That is the only word I can think of to describe Monday's Naturalization ceremony! It was good to see so many members of our club there. For those who missed it, there will be a slide show next week. As the saying goes, pictures say a thousand words, but they do not adequately convey the feelings and emotions that we all experienced that night as we watched 88 new United States citizens take their oaths of loyalty and listened to Dr. Neeli Bendapudi share her story.

What a wonderful example of what Rotarians can do when we are inspired by a vision!!

Sincere thanks go to Chairman Roger Ramseyer who worked tirelessly to "get 'er done" and to his Rotary Naturalization Event Planning Committee, especially (in Roger's words):

- ◇ Rotarian and U.S. District Court Judge Eric Melgren for enthusiastically embracing the idea, actively participating every step of the way, and presiding over the ceremony
- ◇ Rotarian Bill Gardner for leading as our vice-president of programs and generously donating the design of all promotional materials and the program
- ◇ Rotarian Tammy Allen for leading and pursuing a wide variety of public relations tactics that has enhanced the visibility of Rotary, including securing the donation of ad space in the Eagle and WBJ and even "live Tweeting" during the ceremony
- ◇ Rotarian Sue Tirukonda for securing the outstanding musical performers and coordinating a million logistical details
- ◇ Rotarian and Chief Scout Executive Mike Johnson for involving the Boy Scouts as our ushers
- ◇ Rotarian Joan Barrett for all of the incredible promotion on KWCH Channel 12 and KDCU Channel 31, as well as for live streaming of the event with a great quality production
- ◇ Rotarian Toni Porter of the Office of U.S. Rep. Mike Pompeo securing pocket Constitutions for all who attended and coordinating the involvement of Col. Joel Jackson and the McConnell Air Force Base Honor Guard
- ◇ Rotarian and INTRUST Bank Arena General Manager A.J. Boleski for hosting the event at such a great venue
- ◇ Rotarian Bill Roy for promoting the event in the Wichita Business Journal
- ◇ Rotarian Charles Lloyd for ensuring we have awesome photographs
- ◇ Rotarian Gil Wooten for printing the programs
- ◇ Rotarian Lynn Loveland for promoting the event among KU Alumni
- ◇ Rotarian LewJene Schneider for donating electronic billboard space to promote the event
- ◇ Rotarian Chris Goebel's STAR Lumber for delivering our incredible Rotary podium (designed by Bill Gardner and built by the Goebel's) and making it a highly visible centerpiece in the ceremony
- ◇ Rotarian Nancy Martin for endorsing generous support of the Oliver Elliott Fund
- ◇ Many other Rotarians who promoted the event among schools and other non-profits, and contributed in a variety of unique ways!
- ◇ Patty Brown and Kitchel Woods who ensured every detail was addressed and promoted the event so well.

Rotarians rock!
