The Four Way Test

Of the things we think, say or do

Is it the TRUTH?	Is it FAIR to all concerned?
Will it build GOODWILL & BETTER FRIENDSHIPS?	Will it be BENEFICIAL to all concerned?

March 3 — Bob Lida — Masters Track and Field Athlete

A native of Kansas City, Bob moved to Wichita in 1964 and established Lida Advertising Company in 1979. He continues working with selected clients today, and also manages a new business enterprise, Original Skin, which specializes in affordable tattoo removable, hair removal and teeth whitening.

Bob began his track career during the glory years at the University of Kansas. With a cast of Olympian teammates that included Wes Santee, Al Orter, Billy Mills and Cliff Cushman, he won three Big 8 titles.

Bob resumed competing at age 40 in Masters Track and Field. After competing in the 1976 World Championships in Gutenberg, Sweden, for some unexplained reason, he switched from sprinting to marathons and road racing. At age 45, he completed the Chicago Marathon in two hours and fifty-seven minutes. Bob returned to sprinting at age 60, and has since won 21 World Masters Championships, 50 United States Track and Field Masters National Championships and 18 Senior Games Championships.

In 2012, Bob established 5 new world age group records in the 60, 100, 200 and 400 meters. In addition, he is a member of relay teams which currently hold 4 world age group records. Bob also holds 14 American age group records.

Bob currently coaches sprints and cross country at Kapaun-Mt. Carmel High School and conducts a year-round conditioning program for his student athletes. He credits his coaching experience for much of his success in World Masters Athletics, as he has incorporated the workout regime and sprinting mechanics he teaches into his own training program.

Bob was honored in 2012 by the World Masters Association as the Best Male Masters athlete in the world. He is only the third American to receive this recognition. In addition, Bob is a member of the University of Kansas Sports Hall of Fame and was elected to the United States Track and Field Masters Hall of Fame in 2009 and the World Masters Association Hall of Fame in 2012.

Bob is a 30-year Rotarian and has 3 children and 5 grandchildren.

March 10 — Dr. Paul Uhlig — Mid-Continent Regional Center for Health Care Simulation

Paul Uhlig, M.D., is a practicing board-certified cardiothoracic surgeon and associate professor at the University of Kansas School of Medicine-Wichita. Dr. Uhlig received his medical degree from the University of Kansas School of Medicine. He completed his residency in general surgery at Massachusetts General Hospital and completed his residency in cardiothoracic surgery at Indiana University. From 1996-1997, Dr. Uhlig was the Thoracic Surgery Foundation Alley-Sheridan Scholar-in-Residence at the Kennedy School of Government at Harvard University, where he studied health policy. In 2007, he was honored as a King James IV Professor of the Royal College of Surgeons of Edinburgh.

Dr. Uhlig is an internationally recognized expert in patient safety; high-reliability health care teamwork with active patient and family engagement; and interprofessional education. His research uses social science methods to study how health care practice culture can be intentionally changed through collaborative approaches. Dr. Uhlig is past chair of the Education Committee of the Thoracic Surgery Foundation for Research and Education, and past co-chair of the national Health Policy Committee of the Society of Thoracic Surgeons. He helped to establish Project Access, a community-wide system of care for the uninsured in Wichita and Sedgwick County and is the founding board member and executive director of the Mid-Continent Center for Health Care Simulation.

7-Day New Member Publication

Unless three written and signed objections are received in the Rotary office within 7 days, the following applicants will be invited to join our club:

Brad Painchaud – Director of Business Development, Squid Ink Creative (Tara Clary, Kara Hunt)

Abe Rodriguez – Private Banker, Bank SNB (Victor Schimming, Kara Hunt)

CELEBRATE ROTARACT WEEK

Monday, March 10, will be Rotaract Day at our Rotary meeting. Rotaract is a club sponsored by our Rotary club. It is comprised of young professionals, ages 18–30, who share Rotary's vision and mission.

We encourage you to invite your family, friends or colleagues between the ages of 18-30 to join you as a guest on March 10.

You are also invited to attend the first-ever "March Mingle" hosted by the Rotaract Club of Wichita on Thursday, March 13, at 6:00 p.m. at Friends University. Please RSVP via www.facebook.com/rotaractwichita.

MEETING NOTES — FEBRUARY 24

Sharon Van Horn introduced our speaker and new member Sedgwick County District Attorney Marc Bennett. President Gayle received a surprise happy birthday serenade, compliments of her husband Joe.

President Gayle congratulated Len Goldstein (50-plus yrs), Roger Turner (35 yrs), and Jeff Mills (15 yrs) on their milestone anniversaries.

Mary Beth Jarvis introduced new member Heather Hogan, Vice President of Corporate Strategy at Envision. KSN-TV President and General Manager Erik Schrader was introduced by Doug Stark.

RIF READERS WANTED

Don't miss out on one of our club's most gratifying service projects. Our RIF coordinators are ALWAYS looking for Rotarians who are willing to spend a little time with elementary school children to impart their love and appreciation of reading!

Call the office to volunteer yet this school year!

FEBRUARY BLOOD DRIVE A SUCCESS!

Thanks to the many Rotarians and friends who donated during the club's blood drive the week of February 3. Our goal was 33 pints between two days, but due to the snowy conditions, the February 4 schedule was cancelled. Red Cross encouraged donations through Saturday at their downtown location. The Rotary drive brought in a total of 27 pints of blood! Not bad considering the obstacles.
