The Four Way Test

Of the things we think, say or do

Is it the TRUTH?	Is it FAIR to all concerned?
Will it build GOODWILL & BETTER FRIENDSHIPS?	Will it be BENEFICIAL to all concerned?

June 30 — Bill Roy, Joan Barrett and Vera Bothner “Working with the Media to Effectively Promote Your Organization”

Getting your organization in the news – if it’s good news, of course – boosts your visibility and can help you increase business, donations, and credibility. But what are news organizations interested in? How should you approach them about doing a story on your company, product or service? And what do you need to know and do if you’re lucky enough to get an interview? Experienced print and broadcast journalists Bill Roy and Joan Barrett – editor of the Wichita Business Journal and general manager of Sunflower Broadcasting (and former KWCH news director), respectively – will address those questions and more to help you understand how to work with media effectively. Public relations professional Vera Bothner will moderate the panel, adding the insights she’s gained counseling clients on matters ranging from new-product launches to crisis management.

On July 7, President Gayle Goetz will officially pass the club gavel to President-Elect Arlen Honts, marking the beginning of a new Rotary year. Thanks to the many officers and directors who have contributed to the success and growth of both organizations this year.

Message from President Gayle Goetz

Dear Fellow Rotarians,

As I conclude my year as president, I once more want to thank the board of directors, committee chairs and all the members who have worked all year to bring our club to amazing new heights. We have received city-wide attention through sponsoring a naturalization ceremony for new citizens. We have continued to assist the schools and our community through our local projects. Our programs and membership efforts have resulted in moving us up a slot to the 16th largest Rotary club in the world! But, even more importantly, we have made a successful effort to find and engage new young professionals in our club, ensuring the future of our organization at a time when many service clubs are failing.

Sincere thanks to each one of you for your continued support of me and our club and the efforts you made to achieve all we have this year. It has been a challenging but fun and gratifying time. Special thanks to Patty and Kitchel who continue to make us all look good!

Thank you for giving me the opportunity to serve the friendliest Rotary club in Wichita!

Gayle Goetz
President

2013-2014
