The Four Way Test

Is it the TRUTH?	Is it FAIR to all concerned?
Will it build GOODWILL & BETTER FRIENDSHIPS?	Will it be BENEFICIAL to all concerned?

July 7 — Rotary Club and WRCF Passing of the Gavel

Gayle Goetz

Arlen Honts

Charles Eby

Jill Frasco

On July 7, President Gayle Goetz will officially pass the club gavel to President-Elect Arlen Honts, marking the beginning of a new Rotary year. The Wichita Rotary Charitable Fund (WRCF) board will also mark the transition to a new board of directors, as President Charles Eby relinquishes the gavel to President-Elect Jill Frasco. Thanks to the many officers and directors who have contributed to the success and growth of both organizations this year.

This year's prestigious Service Above Self and Dale Gordon awards will be announced at this meeting as well. Please plan to come help celebrate the success and achievements of both the Rotary Club of Wichita and WRCF!

July 14 — Dr. Ayham Farha — Wichita Urology Group "The Cancer No One Talks About"

While breast cancer rightfully receives tremendous public attention because 1 in 8 women will develop it, few know that 1 in 7 men will develop prostate cancer in their lifetimes.

Prostate cancer is as lethal as breast cancer and its treatment can have a lasting effect on both the survivor and his family. Tools for detection of prostate cancer are also in question, as some groups have recommended against the once-standard annual PSA test to screen every man 50 or over. Dr. Ayham Farha of Wichita Urology Group will provide an update on prevention, detection and treatment for this all-too-common disease and its impact on survivors.

Dr. Farha received his medical degree from the American University of Beirut in Lebanon. He completed his internship and residencies in the specialties of surgery and urology at State University of New York Health Science Center in Syracuse, NY. Board certified by the American Board of Urology, Dr. Farha has been in practice since 1989 and has been with the Wichita Urology Group since 1991.

SIGN UP FOR BUSINESS FIRESIDE MEETING ON JULY 28

Please visit the club website at www.wichitarotary.org to sign up for your choice of business fireside meetings on July 28.

There will be no meeting at Botanica that day.

Message from President Arlen Honts

Dear Fellow Rotarians,

Welcome to a new Rotary year. The year we have just completed has been a great one. We have had great programs, increased our membership, and completed a variety of club projects, such as the Habitat house and our RIF readings. Past President Gayle Goetz and the 2013-2014 board did a fabulous job. I thank Gayle and the board for all they did and encourage you to do the same when you next see them. Thanks also to Past WRCF President Charles Eby and the WRCF board for the work they did making sure the fund is strong, reviewed, and on target. Both presidents and boards have positioned our club for a strong new Rotary year.

As we move into the new year, I am confident that the club will continue to give you those opportunities that led you to join Rotary in the first place. Our theme for this Rotary year is rooted in the historic performance of our club – that the Rotary Club of Wichita truly is “*THE BEST HOUR OF THE WICHITA WEEK.*” Program Chair Tammy Allen has been hard at work to line up quality programs. WRCF President Jill Frasco and her board have already begun working on priority projects for the club to tackle. Together, you and I and our directors and officers can make this a great Rotary year.

Let me end today by saying thank you for the confidence and support you have shown me as I start my year as president. I am humbled and honored to be asked to lead what truly is one of the most important driving forces of our community. I look forward to a great year where we all are excited to be active in the Rotary Club of Wichita!

Arlen Honts
President
Rotary Club of Wichita
2014-2015

NOTES FROM MEETING ON JUNE 30

Monday we were fortunate to hear from three of our members who have distinguished themselves in the public relations and print and broadcast journalism fields. Vera Bothner, Bill Roy and Joan Barrett shared their suggestions for working with the media to effectively promote a business or organization.
