The Four Way Test

Is it the TRUTH?	Is it FAIR to all concerned?
Will it build GOODWILL & BETTER FRIENDSHIPS?	Will it be BENEFICIAL to all concerned?

February 2 — Steve Radley — President & CEO, NetWork Kansas

Topic: *Small Business Assistance*

Steve Radley is the president and CEO of NetWork Kansas. On February 2, he will discuss the NetWork Kansas entrepreneurial approach to economic development that focuses on increasing startups and expansions of existing businesses. The focus of this approach is to leverage existing education, expertise, and economic resources and empower communities to create a more entrepreneurial environment. Radley will share how this type of approach is beginning to take shape in Wichita.

A resident of Wichita, Radley began his career in the private sector as the 28th employee of a business startup technology company, Brite Voice Systems in Wichita. The company grew from \$6 million to more than \$175 million during the nine years Radley worked for Kansas entrepreneur Stan Brannan. Since then, he has co-owned two businesses including a manufactured housing dealership that was sold to the largest manufacturer in the country, Champion Enterprises. His work experience centers on business development and taking products and businesses from startup to maturity.

Radley has an MBA from the W. Frank Barton School of Business at Wichita State University, an MA in Christian ministry from Friends University, and a BA in journalism from the University of Oklahoma.

World Rotaract Week

Once again this year, we are joining millions of Rotarians and Rotaractors in celebrating World Rotaract Week, **March 9-15**.

Monday, **March 9th**, will be designated "**Rotaract Day 2015**" at our Monday meeting. This special day will bring Rotaractors to our meeting to share their experiences with our members.

During the next two weeks, a few Rotarians will receive an email asking for your help in the "Mentor Match" program. The commitment is minimal, but the participation is invaluable for the growth of these young professionals. We will be matching Rotarians with Rotaractors in the same industry. Each mentee will set up a time to meet with their mentor during World Rotaract Week.

If you're interested in being a speaker during this group's monthly meeting, or know someone who is interested in joining Rotaract, please contact the club at rotaractwichita@gmail.com or visit their Facebook page at www.facebook.com/RotaractWichita.

The Rotaract Club of Wichita is a service club designed for young adults, ages 18-30, who share Rotary's vision and mission. They are sponsored by the Rotary Club of Wichita. The group organizes the annual "Drink Beer for Clean Water" pub crawl fundraiser and members volunteer monthly at The Lord's Diner and for various other non-profit organizations.

Thank you in advance for your support of Rotaract!
