March 30 — Charlie Chandler and Jeff Turner
Wichita Metro Chamber of Commerce Leadership Council

Topic: *A Vision for the Future of Wichita*

Leadership Council co-chairs Charlie Chandler and Jeff Turner will discuss why the Leadership Council was formed and structured and how the group's priorities were established. They will also cover their motivation for being part of an action-oriented positive force for advancing Wichita and how they are actively working to shape Wichita's future.

Charles Q. "Charlie" Chandler, IV is Chairman and CEO of INTRUST Financial Corporation and INTRUST Bank, and is the fourth generation of Chandlers to lead the bank. He is also a director of Fidelity State Bank & Trust Company in Topeka, a director of First Bank of Newton and chairman of the board of directors of Westar Energy.

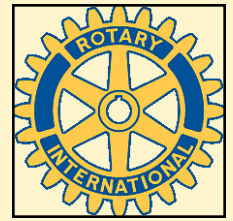

Chandler serves as co-chair of the Leadership Council, created in 2012 by the Wichita Metro Chamber of Commerce. The Council is a think tank comprised of 100 top business, nonprofit and public-sector CEOs for the purpose of discussing and pursuing resolutions of major issues or projects to make the Wichita area competitive for job creation, talent attraction, capital investment and long-term economic prosperity. Additional community involvement includes KSU Foundation, KSU College of Business Advisory Council, Wesley Medical Center board of trustees, The Navigators, Kansas Chapter of Senior Presidents Organization, Rotary Club of Wichita, Kansas Society for Children With Challenges and Eastminster Presbyterian Church. Charlie and his wife, Marla, have been married for 38 years and have four children. His hobbies include flying, boating and snow skiing.

Jeffrey "Jeff" L. Turner retired April 5, 2013 as president and CEO of Spirit AeroSystems, Inc., a position he had held since June 2005 upon the divestiture of the Boeing Commercial Airplanes Wichita Division. As CEO, he successfully led the transition from Boeing Division to independent company completing the company's Initial Public Offering (IPO) in November, 2006.

A Kansas native, Turner worked for The Boeing Company more than 30 years. He started in 1973 as a part-time programmer while completing his degree at Wichita State University. During his tenure with The Boeing Company, Turner held key management and director positions at Boeing Computer Services, Boeing Military Airplane Company and Boeing Commercial Airplanes located in Wichita and Seattle, Washington. From 1995 until the divestiture in June 2005, he served as Vice President-General Manager for the Wichita Division.

Turner is very involved in the local community and serves on the board of directors for INTRUST Bank, World Impact, and Sedgwick County Technical Training Authority, as well as the board of directors for "Doc's Friends", a non-profit organization leading the effort to restore one of the last remaining B-29 aircraft to flying condition. Jeff and his wife, Rhonda, are active members of their church and have two adult children and four grandchildren.

Charles Lloyd and his wife Sara have resigned from the club to spend more time traveling and pursuing other interests. Charles has been a faithful photographer for the club for many years. Many of his Monday meeting pictures have appeared in the Wichita Business Journal and the Wichita Eagle. He will be missed!

We are looking for members who might be willing to take pictures during the Rotary meetings. If interested, please contact Patty Brown.

DICTIONARY PROJECT

Once again this year our club distributed over 2,400 Scholastic hard-back pictorial dictionaries to all the third-grade students in the USD 259 Title I schools. Thanks to all the volunteers who made this happen, especially Stephanie Flaming who headed up the project for the second year.

We are looking for volunteers for next year, including a few members who want to take a leadership role in this project. If interested, please contact Jim Holt at jimh@midamerican.coop or Patty Brown at patty@wichitarotary.org.
