Upcoming Programs

May 18 — Susie Santo
President & CEO — Visit Wichita

Topic: *Branding Wichita as a Destination*

Susie Santo joined the Visit Wichita team in the summer of 2012 as the president and CEO. She has quickly made an impact on the Wichita travel and tourism industry and the community. In 2014, Santo led the initiative to create the state's first Tourism Business Improvement District. This new funding source will be utilized to market Wichita at unprecedented levels. In addition, she led the research-driven community-wide process to help identify and communicate the Wichita brand.

Santo currently serves on many local, state and national boards including the Wichita Metro Chamber of Commerce, Wichita Downtown Development Corporation, Greater Wichita Area Sports Commission, Wichita Transit Advisory Board, Travel Industry Association of Kansas and the US Travel Destination Council. She previously served as the board chair of the California Travel Association.

Prior to joining Visit Wichita, Santo had a successful 19-year career with Universal Studios Hollywood, where she held numerous positions in operations, brand marketing, product development and sales.

Susie is a graduate of the University of Kansas and a former college athlete. She is married to Frank and they have a 6-year-old daughter, Sophia. Susie has recently become a member of the Rotary Club of Wichita.

June 1 — Larry Welch
Former Director of the Kansas Bureau of Investigation

Topic: *Kansas' Criminals and the KBI's Role Through History in Catching Them*

Kansas' rough-and-tumble days didn't end with the Wild West. As Larry Welch, 10th director of the Kansas Bureau of Investigation and author of the book "Beyond Cold Blood: The KBI from Ma Barker to BTK" will share with us such notorious characters as Pretty Boy Floyd and Bonnie and Clyde who operated within the state. More recently, the BTK killings and capture are all too fresh in our memory. Welch's book, named a 2013 Kansas Notable Book, will be available after the meeting. Welch's presentation combines Kansas and KBI history with behind-the-scenes stories of the investigation and crimes that made the headlines of the day.

Welch was the director of the Kansas Bureau of Investigation from 1994 to 2007 and served as a special agent and supervisor for the FBI from 1961-1986, as well as associate director of the Kansas Law Enforcement Training Center until he was appointed to lead the KBI. Welch earned a bachelor's degree and a law degree from the University of Kansas. His extensive writings have appeared in law enforcement publications
