### The Four Way Test

Is it the TRUTH?	Is it FAIR to all concerned?
Will it build GOODWILL & BETTER FRIENDSHIPS?	Will it be BENEFICIAL to all concerned?

**June 15 — David Vander Griend — Founder & CEO — ICM, Inc.**

**Topic: *The Benefits of Ethanol***

Dave Vander Griend is the founder and CEO of ICM, Inc., a company established in 1995 and headquartered in Colwich, Kansas. The company puts its energy into sustaining agriculture through innovation and development of new technologies that will support the renewable fuels industry. ICM's proprietary ethanol processing technology is used in more than 102 bio-refineries in North America and several across the globe.

Vander Griend leads the company's research and development initiatives and promotes the renewable fuels industry, in conjunction with the Government Affairs Division. He also focuses on ways to sustain agriculture and build a stronger economy on a global scale. True to his philanthropic nature, Vander Griend is passionate about projects that integrate people, food, energy and environmental restoration in developing countries.

Dave grew up on a farm outside of Sheldon, Iowa, where he experienced the effects that farming has on rural communities, including the economy. Today, he has made it his mission to help sustain agriculture by finding innovative ways to turn grain into renewable energy sources, such as ethanol.

### Social Fireside on June 22—No Meeting at Botanica

Your Fireside hosts will contact you no later than early next week with driving directions to their home. The social Firesides will be from **5:00 to 7:00 p.m.** Please remember there will be no meeting at Botanica next week.

**It's not too late!** If you forgot to register for the Fireside, please contact the Rotary office so you don't miss out on the fun.

### June 29 — Club and WRCF Passing of the Gavel

On **Monday, June 29**, President Arlen Honts will officially pass the club gavel to President-Elect Clay Bastian, marking the beginning of a new Rotary year. WRCF President Jill Frasco will turn over the reins to WRCF President-Elect Stan Gegen. Please come celebrate the success and achievements of both the Rotary Club of Wichita and the WRCF as we wrap up the year!
