He is the founder of [www.logolounge.com](http://www.logolounge.com), the international, cross-referenced compendium of logos

from the world's leading corporate identity designers. He authored the best-selling book series *LogoLounge Volumes 1 through 9*, as well as the first four volumes of the LogoLounge Master Library Series: *Initials and Crests*, *Animals and Mythology*, *Type and Calligraphy*, and *Shapes and Symbols*. Gardner also released a foundation textbook for students, educators and professionals called *Logo Creed: The Mystery, Magic, and Method Behind Designing Great Logos*.

Gardner speaks nationally and internationally on identity trends and logo development. He is the author of the annual LogoLounge *Logo Trend Report*, published by Graphic Design USA and other publications throughout the world. The *Trend Report* is released each year in May, and has even been revealed live, including at HOW Design Live. Bill and his wife, Andrea, have one daughter, Molly, who is a student at K-State.

**December 7 — Dr. Mark Bartel and the Friends University Singing Quakers  
Christmas Concert  
(Guest Reservations Required)**

Dr. Mark Bartel is in demand as a versatile conductor and music educator. This season he begins his eleventh year as director of choral music at Friends University and conductor of the Singing Quakers, where he oversees a program of four choirs. He is also artistic director and conductor of the Wichita Chamber Chorale. From 2006-2011 he was the artistic director of the Wichita Community Children's Choir and he is a frequent guest conductor for honor choirs and festivals for singers of all ages. He holds the master of music and master of sacred music degrees from Southern Methodist University in Dallas, TX, and the doctor of musical arts degree from the Eastman School of Music in Rochester, N.Y.

Choral music has been at the heart of the Friends University experience from the university's inception in 1898, and since 1924 the Friends University Singing Quakers have represented this tradition at home and abroad. Last year's 90th anniversary season featured the release of a new recording entitled "When I Survey," and culminated with a performance and service tour to Costa Rica in May. In addition to their standard performance season, in April, 2016 the Singing Quakers will perform Verdi Requiem with the Wichita Symphony Orchestra and Chorus.

Friends University degree programs are designed to nurture students' passion for music, and to prepare for vocations in education, performance and ministry. Dedicated mentor-teachers, exposure to world-class guest artists and national and international travel are the hallmarks of a vocal comprehensive program, which includes individual applied lessons, participation in choral ensembles and performance in musical theatre and opera productions. Four choirs perform a wide variety of music ranging from standard choral literature to vocal jazz to choral-orchestral masterworks. Generous vocal scholarships are awarded on the basis of audition to majors as well as non-majors. Under the leadership of Chair, Dr. Stephen Eaves, the Division of Fine Arts offers degrees in music, art and ballet.
