### The Four-Way Test

Is it the TRUTH?	Is it FAIR to all concerned?
Will it build GOODWILL & BETTER FRIENDSHIPS?	Will it be BENEFICIAL to all concerned?

**Jan. 25 — Robert Mendoza**

**City of Derby Director of Public Works  
Rotary District 5690 District Governor Nominee**

**Topic: *The Rotary Foundation: What's It To You?***

Don't underestimate the ability of Mr. Robert Mendoza to inspire and entertain you, even while talking about Rotary!

Mendoza is the director of public works for the City of Derby. He has over 20 years of municipal management experience and has worked in many communities across Kansas. He is a member of the Rotary Club of Derby, where he has served in several offices, including club president (2012 – 2013) and assistant district governor. He currently serves as the District 5690 Rotary Foundation chair and will assume the role of District 5690 governor-elect in July, 2016.

Mendoza's career and personal goals are centered on community service. He manages public utilities and understands first-hand, the value of public health, clean water, sanitation, safe recreational opportunities and environmental stewardship. These are all primary values of Rotary which often coincide with the global projects funded by The Rotary Foundation.

Mendoza served in the United States Air Force and is a veteran of the Persian Gulf war. He and his wife Kelly have been married for 26 years and have one daughter, Lindsy, who is a graduate of Wichita State University. In his spare time he volunteers for community service activities and is an avid reader and a decorative painter.

### February 1 — The Meeting For and All About YOU!!

Whether YOU are a long-time Rotarian, a new member still trying to put names with faces, or fall somewhere in between, we all come to Rotary for fellowship and (let's face it) to network. On Monday, February 1, YOU will finally have an opportunity to tell who YOU are. No need to be nervous. Just be prepared to get acquainted with some new people and to share your story with them. Bring your business cards, family pictures on your phone or any other tool to tell who you are and what you do. (No children or pets, please!) Be prepared to find great pleasure and value in getting to know your fellow Rotarians a little bit better and making them familiar with YOU.
