June 13 — Wayne Bryan and the Music Theatre Wichita Performers

Topic: Thank You For the Music

Guest Reservations Required, Please

That catchy ABBA tune, *Thank You for the Music*, provides the theme for Music Theatre Wichita's 45th anniversary season which kicks off on Wednesday night, June 15th. Producing Artistic Director Wayne Bryan now begins his 29th summer with the company. He will be bringing several of this season's young performers, who were all carefully selected from the 1,092 aspiring actor-singer-dancers who auditioned in five different cities last spring.

This season pays special tribute to songwriters who changed the sound of America's musical theatre. Each of the five productions this summer also features at least one former collegiate company member who is now a Broadway veteran.

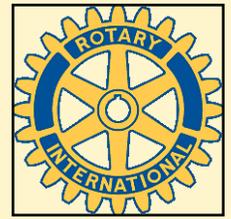

George Gershwin is arguably the greatest composer that America has produced. His musical "Nice Work if You Can Get It" offers over two dozen of his incredible songs, plus some witty interpolations of his symphonic work here and there. Disney's "Beauty and the Beast" boasts an Academy Award winning score, and will be the all-family show this summer (and remember all attendees must be at least 5 years of age.)

Rodgers and Hammerstein's "Oklahoma!" will burst with fresh new life thanks to a great cast and all those timeless songs. Andrew Lloyd Webber's "Jesus Christ Superstar" serves as a homecoming for Joe Locarro, who played Jesus for us in 1990 and has since become one of our favorite directors ("Les Miserables" and "Ragtime").

The season finale "Mamma Mia!" should be a joyful event on many levels. Our former company member and frequent leading lady Kim Huber (Broadway's "Beauty and the Beast") returns as Donna. Her three leading men have all played opposite her here in different productions: Vincent Corazza ("Big Fish"), Thom Sesma ("Paint Your Wagon," "The King and I") and Damon Kirsche ("My Fair Lady"). Brand new sets are being created by J Branson, with sparkly new costumes by Dixon Reynolds.

ROTARY MEETING — MAY 23, 2016

Scott Schwindaman, President and CEO of Lubrication Engineers, Inc., gave a fascinating account of his family's first-class operation involving the breeding and showing of black Clydesdales. In spite of rainy weather, Scott brought one of his mares, Isabel (nicknamed Izzy), for us to meet.

David Stupay introduced new member Kimberly Engber on Monday. Kimberly is the Dean of the Cohen Honors College at Wichita State University. Welcome!

Izzy's competent handler kept her calm and in control. So funny to see a horse in the dining room!

ROTARY FOUNDATION

Our Club's all-time giving to the Rotary Foundation approaches ONE MILLION dollars! We are so close! As of this month you have given \$992,624 to make the world a better place.

The Rotary International Foundation supports projects outside our district, working in partnership with other clubs in the district. In the past our contributions have supported Ambassadorial Scholarships, water projects in India, Haiti health and education projects and polio eradication. Gifts are not endowed; they are put to work with 100% of the funds used for humanitarian or education grants. Donors who have given at least \$1,000 to the Foundation are given the Paul Harris Fellow designation, in honor of the Rotary founder.

Currently, we have:

- 155 Paul Harris Fellows
- 312 Members who are giving, or have given, to the RI Foundation
- 6 Major Donors (over \$10,000 in cumulative giving)

If you are not a Paul Harris Fellow, will you consider beginning to support the Foundation of Rotary International? Our club has points that can be used to match your gift. Please contact Patty or Kitchel in the Rotary office if you would like to begin your support of the Foundation. Paul Harris Sustaining Fellows begin at \$100 per year.
