### December 12 — Dr. Mark Bartel and the Friends University Singing Quakers Christmas Concert

Dr. Mark Bartel is in demand as a versatile conductor and music educator. This season he begins his 12th year as director of choral music at Friends University and conductor of the Singing Quakers, where he oversees a program of four choirs. He is artistic director and conductor of the Wichita Chamber Chorale and from 2006-2011 he served as the artistic director of the Wichita Community Children's Choir. Dr. Bartel is a frequent guest conductor for honor choirs and festivals for singers of all ages and is the president-elect of the Kansas Choral Directors Association. He holds the master of music and master of sacred music degrees from Southern Methodist University in Dallas, TX, and the doctor of musical arts degree from the Eastman School of Music in Rochester, N.Y.

Choral music has been at the heart of the Friends University experience from the university's inception in 1898, and since 1924 the Friends University Singing Quakers have represented this tradition of excellence and faith at home and abroad. The 2014-15 90<sup>th</sup> anniversary season featured the release of a new recording entitled "When I Survey," and culminated with a performance and service tour to Costa Rica in May. In addition to their standard performance season, the choir performs frequently with the Wichita Symphony Orchestra and Chorus.

Friends University degree programs are designed to nurture students' passion for music, and to prepare for vocations in education, performance and ministry. Dedicated mentor-teachers, exposure to world-class guest artists and national and international travel are the hallmarks of a vocal comprehensive program, which includes individual applied lessons, participation in choral ensembles and performance in musical theatre and opera productions. Four choirs perform a wide variety of music ranging from standard choral literature to vocal jazz to choral-orchestral masterworks. Generous vocal scholarships are awarded on the basis of audition to majors as well as non-majors. Under the leadership of Interim Chair Dr. Cecil J. Riney, the Division of Fine Arts offers degrees in music, art and ballet.

## STRATEGIC PLANNING REQUEST FOR PROPOSAL

As part of our ongoing governance responsibilities, the Rotary Club of Wichita is exploring the cost and methodology of conducting facilitated strategic planning that would build upon the current long-term plan developed in 2013. We would seek to work with a provider who is experienced in facilitating strategic planning, preferably has knowledge of Rotary's local operations and mission, and understands the unique challenges of not-for-profits.

If any club member meeting those qualifications would like to receive a Request for Proposal, please email Patty Brown in the Rotary office at [patty@wichitarotary.org](mailto:patty@wichitarotary.org) no later than end of day, **December 16**.

## HOLIDAY SCHEDULE AND FINAL DONATIONS FOR THE YEAR

Due to the holidays, there will be no Rotary meeting on **December 19 or 26 or January 2** and the Rotary office will be closed the week between Christmas and New Year's. If you plan to make a monetary donation before the end of the tax year, please make sure it is in the Rotary office no later than **December 20**.

You can make donations directly to Rotary International via their website at [www.rotary.org](http://www.rotary.org) or by mailing a check postmarked prior to year end to The Rotary Foundation, 14280 Collections Center Dr., Chicago, IL, 60693.
