The Four-Way Test

Is it the TRUTH?	Is it FAIR to all concerned?
Will it build GOODWILL & BETTER FRIENDSHIPS?	Will it be BENEFICIAL to all concerned?

October 2 — Dr. Jeremy Deutsch

Medical Oncologist / Hematologist
Cancer Center of Kansas

Topic: *Innovations in Cancer Therapy*

Nearly half of us will, sometime in our lifetime, be diagnosed with cancer and about half of the people diagnosed with cancer will die from it.

However, medical science is developing ways to harness the power of our immune system to kill cancer cells and also developing and using targeted, small molecules to disrupt the growth, progression and/or spread of cancer. Dr. Deutsch will discuss these new treatments which may save your life or the life of a loved one.

Dr. Deutsch, born and raised in Wichita, graduated from Kansas State University with a degree in Electrical & Biomedical Engineering. He then obtained his medical degree from the University of Kansas – Wichita in 2010. Dr. Deutsch went on to complete his internal medicine residency at the University of Kansas Medical Center – Wichita, during which time he was named the Outstanding Second Year Internal Medicine Resident in 2009. He received the St. Luke's Award for Outstanding Performance across all residencies in 2010.

Dr. Deutsch completed a three-year fellowship in Hematology and Oncology in 2013 at the University of Iowa, serving as chief fellow during the 2012-2013 academic year. He is board certified in internal medicine, medical oncology and hematology. He is a member of a number of professional societies including the American Society of Clinical Oncology, American Society of Hematology, American College of Physicians and Alpha Omega Alpha. Dr. Deutsch serves on the Institutional Review Board for Via Christi Health and also demonstrates commitment to clinical research through his service as a principal investigator with the Wichita NCI Community Oncology Research Program (NCORP), a National Cancer Institute sponsored research program.

DON'T MISS BOOKAPALOOZA — OCTOBER 16!!

Plan to join fellow Rotarians and guests downtown at the Rotary Centennial Plaza at Second and St. Francis St. for a social Fireside from 5:30 to 7:30 pm the evening of October 16. There will be no meeting at Botanica that day.

In addition to a social event, this will be a celebration of childhood literacy. Our club is donating a free-standing neighborhood library filled with books for children and adults to be placed in the Fairmount Park area near WSU. Please bring your used books next Monday to Rotary or to the event that evening. The neighborhood library is being decorated by logo wizard Bill Gardner and will be unveiled that evening.

This event will give Rotarians, spouses and guests an opportunity to mingle and connect while enjoying yummy food from some of Wichita's finest food trucks, along with craft beer sampling. In addition, a mobile bar will serve wine and other libations. There is no admittance fee and Rotarians will be given tickets equal to \$12 to spend on food and drink. The food trucks and bar will accept cash and credit cards. Come ready to party on the Plaza!

Please call the Rotary office at 316-262-4375 or email kitchel@wichitarotary.org to register you and your guests.

ROTARY MEETING — SEPTEMBER 25

Mike Aresco, Commissioner of the American Athletic Conference, addressed our club on his first visit to Wichita. His presentation focused on why Wichita State University is a perfect fit for the conference.

Bill Anderson, son of our member Thornton Anderson, happily accepted his permanent badge from President Jeff.

Seven members celebrated milestone anniversaries with Rotary. From left to right: President Jeff, Patricia McDonnell (5 yrs.), Noreen Carrocci (10 yrs.), Tom Kruse (20 yrs.), Jeff Lackey (5yrs.), Andrew Kovar (5yrs.), Stephanie Flaming (5 yrs.) and Jim Gillespie (20yrs.).

We were paid a visit from Dr. Gilbert apar Bor, a Rotarian from Eldoret, Kenya. Also in attendance, and pictured here with our members Arlen Honts and Geri Appel, were his sister, Regina Kogo, and his nephew, Sosten Cheboryot, who reside in Wichita. Club banners were exchanged during the meeting.
