The Four-Way Test

Is it the TRUTH?	Is it FAIR to all concerned?
Will it build GOODWILL & BETTER FRIENDSHIPS?	Will it be BENEFICIAL to all concerned?

ROTARY FIRESIDE AT BOTANICA ILLUMINATIONS
MONDAY, DECEMBER 18
5:30 - 8:00 PM

(NO MEETING AT NOON)

Tour Botanica's renowned Christmas light display and enjoy refreshments in the Terrace Room throughout the evening.

Come any time between the hours of 5:30 – 8:00 pm and enjoy!

There will be no charge for club members and children age 3 and under. Family members and other guests will be charged \$6. Botanica Executive Director and Rotarian Marty Miller generously offered us the reduced rate of \$6 for family and friends. Your guest charges will appear on your January dues statement.

Parking and shuttle service will be available to make your arrival and departure as convenient as possible. You may park in the south parking lot across from the Wichita Art Museum on Museum Blvd where shuttles will pick up passengers and take them to the south gate admission. Shuttles begin at 5:30 pm and go until 9:15 p.m. Another parking option located just west of Cowtown at the south gate and comfortably within walking distance will be offered as well. Be sure to check in at the Rotary registration table outside the Terrace Room. Registration is appreciated but **NOT** required.

HOLIDAY SCHEDULE AND UPCOMING PROGRAMS

The Rotary office will be closed for the holidays from December 25 through January 1.

January 8 — Bob Mandinyenya, African Lion and Environmental Research Trust

January 15 — No Meeting — Martin Luther King Holiday

January 22 — Col. Phil Heseltine, Vice Commander, 22nd Air Refueling Wing, McConnell AFB

January 29 — Dr. Patrick Allen, Via Christi International Family Medicine Fellow

JANUARY 8 — BOB MANDINYENYA, PRINCIPLE RESEARCHER AFRICAN LION AND ENVIRONMENTAL RESEARCH TRUST

TOPIC: *CHOOSE AFRICA*

Bob Mandinyenya currently holds a 2017-18 Hubert H. Humphrey Fellowship at Cornell University. This program provides a year of professional enrichment for experienced professionals from designated countries which are undergoing development or political transition. In his home country of Zimbabwe, Mandinyenya works as a principle researcher for the African Lion and Environmental Research Trust. The mission of the organization is to promote the development of sustainable conservation management plans for lions. His efforts focus on a project near Victoria Falls, where he conducts and manages wildlife research and conservation initiatives that include the monitoring and assessment of environmental change.

Mandinyenya also works with local communities to mitigate conflict between humans and wildlife to conserve natural resources and provide food sources for both. His background is in conservation biology and he is passionate about the protection of ecosystems and an advocate for sustainable community development. He holds a bachelor of science in forest resources and wildlife management from the National University of Science and Technology in Bulawayo, Zimbabwe.

Congratulations!
