MARCH 12 — OLIVER ELLIOTT LECTURE SERIES PRESENTS

PETER ZEIHAN — STRATEGIST, THINKER, FUTURIST, SPEAKER and AUTHOR

TOPIC: APPROACHING THE AMERICAN AGE

(Meeting will begin at 12:00 pm. Guest reservations required)

As new forces shape the world, America's role in international trade, the aging of the planet into mass retirement, and the shale revolution will combine to do nothing less than overturn the global system and create a new world order.

Peter Zeihan is a geopolitical strategist and global energy demographic and security expert. His worldview marries the realities of geography and populations to a deep understanding of how global politics impact markets and economic trends. His irreverent approach transforms topics that are normally dense and heavy into accessible and relevant takeaways for audiences of all types. He is the author of *The Accidental Superpower: The Next Generation of American Preeminence and the Coming Global Disorder*, and *The Absent Superpower: The Shale Revolution and a World Without America*.

Zeihan's career has ranged from working for the US State Department in Australia and the DC think tank community, to helping develop the analytical models for Stratfor, a premier private intelligence company. He founded his own firm, Zeihan on Geopolitics in 2012, in order to specialize in customized executive briefings for his clients. Mr. Zeihan has been featured in, and cited by, numerous newspapers and broadcasts including *The Wall Street Journal*, *Forbes*, *AP*, *Bloomberg*, *CNN*, *ABC*, *The New York Times*, *Fox News* and *MarketWatch*.

ROTARY BLOOD DRIVE MONDAY, JUNE 25, 2018

To meet a critical need for donations during the summer, a blood drive is scheduled for Monday, June 25, 2018 at Botanica. Did you know that 30% of our nation's population is eligible to donate blood and only about 8% actually do? Help increase that percentage by planning to make a donation during our next blood drive. FYI: If you are a regular donor, please make that donation earlier than April 29th to be eligible on June 25th since there has to be a 56 day interval between donations. Scheduling will begin in May.
